APPEAL TO PARENTS

Dear Parents,

We hope this message finds you well.

We would like to kindly remind you that regular classes are going on in our school, and active participation is required for your child's academic progress. Our teachers are covering the curriculum as per split up syllabus, and each day of learning plays a crucial role in your child's overall development.

Few students have not yet reported to school after Nuakhai festival. Absence in school will create an academic gap. Regular attendance helps children stay on track with their studies, build discipline, and benefit from classroom interaction.

We sincerely request to the parents of students of all classes, especially of class X [Board Students] to send their wards to school as soon as possible. Further, it is requested not to take your ward home unless it very urgent and important.

Thank you for your continued support and cooperation.

Warm regards,
